

Disclaimer

Investing in securities, including but not limited to bonds and mortgage-backed securities (MBS) involves significant risks, including but not limited to interest rate risk, credit risk, prepayment risk, and liquidity risk. No information contained on this website should be construed as a recommendation, promise, guarantee, or implication by BondXN Technologies LLC that any investment will be profitable or that losses can or will be limited in any manner. Past performance is not indicative of future results.

Although care has been taken to ensure the accuracy and reliability of the information provided, BondXN Technologies LLC makes no representations or warranties, express or implied, as to the completeness, timeliness, or accuracy of any information, products, services, or processes described. All information is provided “as is” without warranty of any kind.

This website is for informational purposes only and is not intended to provide, and should not be construed as providing, tax, legal, financial, or investment advice. While the site may offer data or content related to investments and financial markets, such information is not a substitute for professional advice tailored to your individual circumstances.

BondXN Technologies LLC does not endorse or recommend the suitability of any security, investment strategy, or transaction for any particular individual or entity. Investors are solely responsible for evaluating the risks and merits of any investment. We strongly encourage users to consult with licensed legal, tax, financial planning, and investment professionals before making any investment decisions.
